W e l c o m e

Arriving at the **Marival Resort & Suites** is always a pleasure. Whether it's your first time or your "nth" time, you'll be delighted to be here. We're more than sunshine, we're more than the best beach on the bay and we're more than fabulous rooms and suites. What you can count on is the best (yes, the BEST!) variety of food and entertainment and, to top it off, the ultimate in service.

▶ **All in one place:** Marival Resort & Suites.

That's us!

▶ H o t e l R e s o r t

Count on us to help you find something to do. From the moment you arrive, you are handed an envelope that lists the activities you can participate in during your stay.

Every day we have an activities board. You won't believe how many things you can choose between every single day. Decide on classes (yoga, Pilates, cooking, dance), clinics (tennis, scuba, archery, wind surf), tours (bicycle, local), exercise (stretch, aerobics, spinning), sports (volleyball, both beach and water; rappel, soccer, basketball), competitions (volleyball, horseshoe, shuffleboard, bocce) and so much more. **Every day....every single day!**

For beachers, because we're on the best beach on the bay, we give you over 100 beach palapas and around 1,000 pool or beach seats along the property to choose from. **Bring your sunscreen and go to it!**

You may want to map out your week of activities by paying a call to the concierge. He or she will take you on an imaginary tour of the possibilities of Banderas Bay (and they are many!) and explain what each outing or adventure entails. Take the family, take your friends, go in a group or venture out on your own. There won't be enough time to do all the things you want to do. **We guarantee it!**

▶ P o o l s

We have more swimming pools than any other property. What's great about that is you can choose the style that fits you best.

Social, with lively music, games, activities, aquaerobics, swim-up bar and more
Adult, where tranquility and peace are the name of the game, but service is still optimum and lounge chairs numerous; includes Jacuzzi

Kids water-park, so you only are there if you choose to be, with colorful water slides, games, adult supervision and fun, fun, fun!

All pools are temperature-controlled and sanitary.

Organized activities in the water include: aquaerobics, water basketball, water polo, dance and more.

We make your stay come alive!

▶ R o o m s & S u i t e s

We're so proud of the way we maintain our rooms and suites. Our professional staff is trained to keep things in order even when you're on vacation and don't have a moment to think about that!

All rooms and suites have: Air conditioning • Telephone • Safety deposit box • Hair dryers • Bath amenities • Alarm clocks • Vanity mirrors • Mini-fridge • Coffee maker • Remote control cable TV

In the suites, you can additionally count on: Microwaves • Iron and ironing board • Balcony or terrace • Some oceanfront views • Living area with extra bathroom

Relax in your room in the air conditioning and feel right at home. The sounds of the surf gently lull you into a place of comfort and joy. **It's good to be back!**

▶ R e s t a u r a n t s

Hungry? Who isn't?! Head for **Piazzeta del Forni**, the casual snack bar in the interior gardens where the bar will fix you anything you like: margarita, bloody Mary, fresh fruit daiquiri, a good selection of beer and wine, and soft drinks or homemade lemonade. Now that your thirst is quenched, take a look around: oven-fresh pizza, homemade tacos, a hot buffet of local specialties and more. Every night you'll experience something different in the kitchen. **You won't get tired of us!**

Get local in **Las Palomas** with Mexican specialties that will tease your palate. A buffet offers a variety of choices, while the ala carte menu speaks to those ready to try other delicacies. (Enchiladas, quesadillas and tacos are just a start!) Relish the fresh guacamole, made right at your table. The colorful ambience will remind you why you love traveling to Mexico. Have a margarita (or two) and indulge in the feast that will not long be forgotten! Top it off with a specialty flaming coffee, **a tableside show that will impress your friends every time!**

Restaurants

Spread your wings at **Casa Bella** where a casual atmosphere generously (the most extensive buffet anywhere!) presents delectable international dishes for breakfast, brunch, lunch and dinner. Before you make your choice, take a look around: salads, pastries, hot plates, juices, eggs, desserts, sandwiches, quesadillas and so much more. Every day visit other regions with theme nights such as Tex-Mex, Oriental, seafood, international, Mexican and more. We're always at home for you, come as often as you like. Expect the best service, because that's what we promise.

The elegant **La Pergola** opens the doors for breakfast, brunch, lunch and dinner with an interesting a la carte menu. Appreciate the terrace with views of the spacious gardens or choose to luxuriate in the air conditioning. It's at night when the Mediterranean breezes blow in and the atmosphere gets romantic. Enjoy a candlelight evening with your significant other(s) and remember to fall in love again. **It's so much fun!**

When romance is truly the focus, consider **Amalfi** where Italian specialties always warm the heart. A bottle of good wine, oven-fresh bread, extra virgin olive oil and parmesan cheese will just be the beginning to a lovely interlude. Your waiter will help you make those difficult choices! Live piano music makes your night complete. **Bon appetit!**

Traveling with the kids, you won't want to miss **La Bamba**, where burgers, French fries, hot dogs and pizza might be about as adventuresome as they want, but convince them to try the nachos and guacamole. The best thing? It's oceanfront dining. During the winter season, try the delish steak house offerings. Evenings put on the barbecue with some of the best ribs this side of the border.

► B a r s & D i s c o

And the nights? (Oh, the nights!)

You not only have the **M&M Martini Bar**, where you are served the best premium brands as you mingle with friends, both old and new, and revel in the ambience of the piano bar every evening. Sip your elegant martini or special margarita with the unmatched terrace view of the sunset. Stop in before or after dinner. Or both! You won't regret it!

Off the lobby, you will want to visit the **Mirabel bar** where easy listening will keep you in that relaxed state. Service is gentle and reminds you that you are truly a valuable guest. Read a book if you like, sit with friends and catch up on old times or make life-changing plans.

At **Volare**, you might raise that voice in Karaoke abandon when friends insist that you perform. Hey, grab the mike and show them you have what it takes! Expect casino night, or dancing, or just troop in after the show to see what's happening, **because it's bound to keep you coming back for more!**

► Nightly Entertainment

And it's LIVE! When the sun goes down, the Marival Resort goes live!

Ask about the schedule of live performances during your stay. Our palapa-covered indoor theater seats over 1000 in comfortable seats for regular nightly performances with over 14 different variety shows. **It ROCKS!**

Get ready to party when you come to the Mexican Fiesta! It's time for tequila, song and dance. And feast on the specialties that bring Mexican cuisine to the world stage of gastronomy. **¡Buen provecho!**

Who says disco is dead? Stay up for disco nights at Cesar's Disco where DJs will spin you wild. **And you don't even have to leave the resort!**

► U n i q u e A c t i v i t i e s
